Wassup Beacon Nation!
This has been a season of tremendous victory for Alpha Beacon. I want to congratulate our Lady Lions for successfully defending the Bay Area Christian Athletic League Title. The girls played with intense passion while demonstrating godly character on the court.

I also want to thank the parents, families, friends and the Beacon Staff for supporting the team this season. You have been an encouragement to the girls by attending the games with your contagious "Go Beacon!" spirit. As Christians, we know that we have to work together as the "Body of Christ" to be successful and to do what is pleasing to Him.

Last week at the Awards Ceremony, we celebrated our championship volleyball team at Calvary Chapel of San Mateo. Selected BACAL All League Players were Sarah Chu, Ally Legaspi, Kaelah Velisano, Lisandre Meyer, and Rachel Fobelli. Once again, our Beacon volleyball team won the coveted BACAL Sportsmanship Award for the 6th year in a row and Mr. Chris Chu was named Coach of the Year for the fourth year in a row.

Best Ever Student Retreat

According to many of our high school teachers and students, this year's junior and senior high retreat at Silver Spur Conference Center was the best ever! They loved the annointed words of Pastor Brad Allen, sang with worship leader Mrs. Margaret McCauley, and enjoyed a thrilling "no homework allowed week" of campfire sharing, line dancing lead by Mrs. Fobelli, class skits, football, ping pong, hot chocolate, and getting to know each other better.

Outdoor Education at Alliance Redwoods

The 5th and 6th graders enjoyed a week in the beautiful California Redwood forest of Sonoma County. They were captivated in studying the wonders of God's creation while enjoying delicious meals and upgraded lodging at Hillside and Dogwood Lodges.
